ORDER RE: MOTION TO EXTEND  
DISCOVERY MOTION DEADLINE AS TO  
DEPOSITIONS  
PAGE - 1

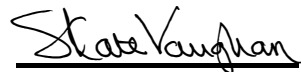

1 Wisehart, Don DeLoach, Mike Mackey, James Salter, and Vaughan Emery (collectively “Non-  
2 Settling Defendants”) oppose the motion. Dkt. 227. The Court, having considered the motion,  
3 opposition, and the remainder of the record, finds and ORDERS as follows:

4 (1) Plaintiff seeks an order extending the September 9, 2021 deadline to file  
5 discovery motions related to depositions to the November 24, 2021 discovery deadline. In  
6 asserting good cause for the extension, Plaintiff points, in part, to the parties’ ongoing attempt to  
7 schedule depositions during the month of October and the possibility court intervention may be  
8 required to resolve discovery issues related to those depositions. Non-Settling Defendants deny  
9 good cause for the extension, asserting Plaintiff’s lack of diligence and failure to meet and confer  
10 prior to filing the motion.

11 Plaintiff’s motion, Dkt. 225, is GRANTED in part and DENIED in part. The Court finds  
12 a more limited extension than that requested warranted and appropriate, and herein extends the  
13 deadline to file discovery motions as to depositions to **November 1, 2021**. The Court anticipates  
14 that the parties will cooperate to ensure the completion of depositions prior to that date in order  
15 to avoid the need for any additional court intervention for deposition-related disputes.

16 (2) The Clerk is directed to send copies of this Order to the parties and to the  
17 Honorable Richard A. Jones.

18 DATED this 21st day of September, 2021.
